PARENT PAYMENT ARRANGEMENTS for 2023 – YEAR 1

Dear Parents/carers,

Laburnum Primary School advises you of our Parent Payment arrangements for 2023.

Please find attached the schedule for Year 1. Please complete this form and return it to the school by **2 December 2022**, so the school can order items needed for your child's learning next year.

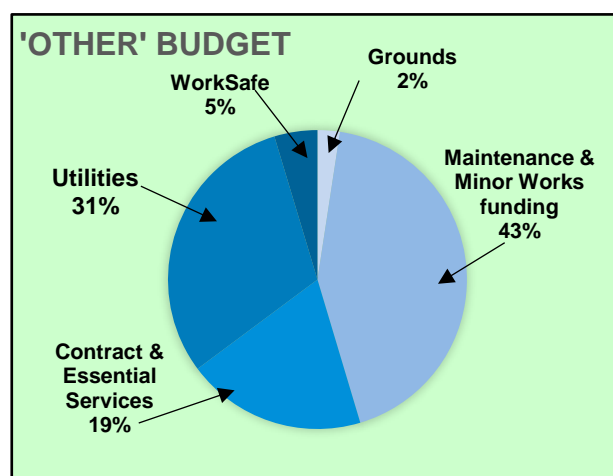

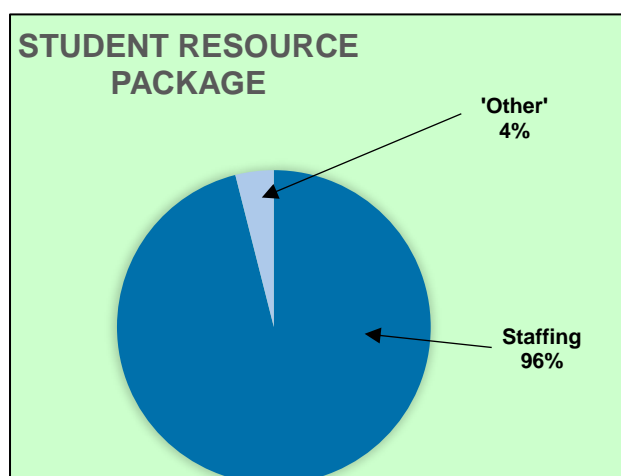

Each year, School Council determines the following year's cash budget by considering teaching and learning programs and the key improvement areas in the School Strategic Plan.

Our outstanding academic results in English and Mathematics have been achieved through effective resourcing of these key learning areas. Laburnum Primary School makes every effort to keep Parent Payments affordable for all families.

Funding to meet the school's budget comes from three sources:

1. DET (Department of Education and Training) Student Resource Package
2. Parent Payments, through Voluntary Contributions, including the Tax-Deductible Building Fund and Curriculum Contributions
3. Local fundraising, including a valued contribution from our Parents Group through fundraising.

The DET Student Resource Package meets salaries and most operational costs of running the school. It does not, however, meet all the cost of materials or the enriched learning programs that we offer. Although government schools provide students with free instruction to fulfil the standard Victorian curriculum, the ongoing support of our families ensures that we can offer the best possible education and support for our students.

The school relies heavily upon voluntary parent financial contributions to meet the difference between funds from the Student Resource Package and our budgeted expenditure each year. Parent Contributions and local fundraising also allow us to fully fund the maintenance of, and improvements to, buildings and grounds, such as the planned Junior School playground redevelopment.

2021 - 2022 Parent Contributions and local fundraising monies provided:

- Annual replacement of student computers
- Large plasma screens in classrooms
- New Running Track
- New audio-visual system in Hall
- Restumping of main building
- Repairs to stairs & rails in Year 3 area
- Repairs to taps & cisterns in student toilets

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g., textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
