# PHOTOGRAPHING, FILMING AND RECORDING STUDENTS: CONSENT FORM

## Annual Consent Form and Collection Notice

During the school year there are many occasions and events where staff may photograph, film or record students participating in school activities and events. We do this for many reasons to display images:

- within the school and
- in publicly accessible locations (e.g. our website and newsletter)

This notice applies to photographs, video or recordings of students that are collected, used and disclosed by the school.

We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events do so in a respectful and safe manner and that any photos, video or recordings ("images" of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer. All adults are reminded of the risks of posting images to social media.

If you do not understand any aspect of this notice, or you would like to talk about any concerns you have, please contact our school at [laburnum.ps@education.vic.gov.au](mailto:laburnum.ps@education.vic.gov.au)

### 1. Use or disclosure within the school community

- for display in school classrooms, on noticeboards etc
- to support student's health and wellbeing
- other internal communications and information (e.g. Year 6 Yearbook)

## 2. Use or disclosure in publications/locations that are publicly accessible

**Unless you tell us otherwise below**, photographs, video or recordings of students may also be used in publications that are accessible to the public, including:

- in the school's eNews

Your child may be identified by first name only in these images (or not named at all).

We will notify you individually if we are considering using any images of your child for other specific advertising or promotional purposes.
