PARENT PAYMENT ARRANGEMENTS for 2025 – YEAR 5

Dear Parents/carers,

Laburnum Primary School advises you of our Parent Payment arrangements for 2025.

Please find attached the schedule for Year 5. Please complete this form and return it to the school by **25 November 2024**, so the school can order items needed for your child's learning next year.

Each year, School Council determines the following year's cash budget by considering teaching and learning programs and the key improvement areas in the School Strategic Plan.

Our outstanding academic results in English and Mathematics have been achieved through effective resourcing of these key learning areas. Laburnum Primary School makes every effort to keep Parent Payments affordable for all families.

Funding to meet the school's budget comes from three sources:

1. DE (Department of Education) Student Resource Package
2. Parent Payments, through Voluntary Contributions, including the Tax-Deductible Building Fund and Curriculum Contributions
3. Local fundraising, including a valued contribution from our Parents Group through fundraising.

The DE Student Resource Package meets salaries and most operational costs of running the school. It does not, however, meet all the cost of materials or the enriched learning programs that we offer. Although government schools provide students with free instruction to fulfil the standard Victorian curriculum, the ongoing support of our families ensures that we can offer the best possible education and support for our students.

2021 - 2024 Parent Contributions and local fundraising monies provided:

- Annual replacement of student computers
- Junior School Landscaping project
- New Blacks Walk entrance gates
- New Shade Sails over new landscaping
- New Playground equipment for Prep area
- Large plasma screens in classrooms
- New Oval Running Track
- New audio-visual system in Hall
- Repairs to taps & cisterns in student toilets
- Air conditioners for classrooms & PAC
- Window repairs & fly screens
- Complete restoration of Hall floor
- New stage curtains and hall curtains
- Complete termite barrier installed
- New vinyl flooring in Hall corridor
- New shade sail over Year 5/6 playground
- New student furniture in Year 1, 4 & 6
- Maintenance of synthetic play areas, and ongoing mulching of playgrounds
- New carpet for classrooms
- Ongoing gutter, downpipes & roofing repairs/cleaning/replacement
- Continuous improvements to exit/security lighting and smoke detector upgrades

The school relies heavily upon voluntary parent financial contributions to meet the difference between funds from the Student Resource Package and our budgeted expenditure each year. Parent Contributions and local fundraising also allow us to fully fund the maintenance of, and improvements to, buildings and grounds, such as the Junior School playground redevelopment.
