Date:

¹ Children experiencing vulnerability include:

- children in out-of-home care
- children deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
- children identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)
- Students with a disability who are vulnerable due to family stress

² 'Disability' refers to all students receiving adjustments, including (but not limited to) those supported through the Program for Students with Disabilities.
