

WOODEN CREATIONS!

What's been happening...

Growing together!

This term we are growing our own vegetables! During Vacation Care, we planted tomato and lettuce seeds and in just two weeks, they have grown quite a lot! We have been talking about what plants need to thrive and how humans need similar environmental factors to grow.

Designing and creating!

During weeks 1 and 2 we have had a focus on getting more kids interested in arts and crafts, while using their imagination to create something out of various materials!

Re-Establishing Routines

To kick off week 1 of Term 4, we discussed what our routines are, why we have them and what our expectations are at OSHClub. Each afternoon, an OSHClub Helper will read out our expectations during our afternoon meeting, as well as what activities are on for the afternoon and what is for afternoon tea. A different OSHClub helper will be chosen each afternoon. It is the other children's job to show respectful listening while the meeting is being held.

Coming Up

**OCT
26**

First Day of Clubs!

Clubs are back for Term 4!

**OCT
27&28**

Pupil Free Days

Thursday's theme: 70's Disco!

Friday's Theme: 5 Senses Day!

**NOV
01**

Melbourne Cup Public Holiday

We will be closed on this day.

Special Announcements

Term 4 - Hats Required

Slip, slop, slap, seek and slide! Please remember that during Term 4, hats are required for children to play outside. If your child is required to leave their school hat in their classroom, it would be good to include a spare hat in their bag for OSHClub.

Pick Up & Drop Off

Just a friendly reminder that all parents/guardians must drop off or pick up their children from the OSHClub room, not from the gates. This is important for safety reasons, as well as to ensure our educators get to know you and your families.

Lost & Found

Our Lost & Found tub is once again full of uniforms, hats, drink bottles, masks, and other clothing items. Please take a look and collect anything that belongs to your child.

Clubs!

In week 4 we will be starting our clubs for Term 4!

STREET EATZ:

Make a different street food every Wednesday afternoon.

STEM STATION:

Try out different Science experiments each Friday afternoon.

Breaky Bunch

Every day at Before School Care

Monday: Smoothies

Tuesday: Yogurt & Berries

Wednesday: Waffles

Thursday: Toasties

Friday: Pancakes

Quality Area Reflection

Continuity of Educators

This term it's our goal to have consistency of educators, to provide children in our care with stability and routine.
