

Messages from Amelia

Non-notified Absences:

Please remember to let us know if your child is absent prior to sessions started to avoid the non-notification absence fee. You can leave us a message or email us any time!

Sign in/out:

Please remember to sign in and out your child on pick up and drop off! If you need any assistance with this or are having trouble accessing your account for sign in/out, please let one of the staff know. We are always happy to help!

Toys from home:

Please remember that toys bought into OSHClub from home are not encouraged as they are prone to being lost or damaged if not cared for by your child. We do not allow Pokémon cards or Beyblades at OSHClub.

Martial Arts

Our last two Martial Arts sessions were a huge success, with a fantastic number of bookings and loads of excitement in the air! The children absolutely loved getting involved in the guided martial arts experience, building on their skills and confidence each week. With strong focus, big energy, and plenty of enthusiasm, it's been wonderful to see so many students engaging and enjoying this dynamic activity!

Stay & Play

It's been a fun-filled few weeks at Stay and Play! We've kept busy with our regular favourites, Junior and Senior Baking Clubs, exciting sessions in Science Academy, and action-packed Martial Arts.

Our Friday Fundays have been a big hit too, with themed afternoons that sparked imagination and play. We explored the world of Pokémon with games and crafts, followed by a magical Harry Potter day filled with spells, potions, and wizarding fun.

Stay & Play:

- **Every Monday:** Move-it Mondays (Sports/Dancing/Games)
- **Every Tuesday:** Senior Baking Club
- **Every Thursday:** Junior Baking Club
- **Every Friday:** Friday Funday

Happy Snaps

The Science Academy

Science Academy kicked off with some seriously cool experiments! In Session 3: Edible Science, students made their very own ice cream in a bag—learning about temperature and states of matter while enjoying a delicious homemade treat at the end.

In Session 4, we dived into Earth Sciences with an oil spill simulation. Students explored the impact of pollution on our environment and carefully recorded their observations as they tested different clean-up methods. A hands-on and thought-provoking start to the term's science journey!

National Dream Run Fundraiser Event

The Smith Family National Dream run is back and as always OSHClub is getting involved! Every dollar takes us one step closer to making a real impact on the lives of Australian children and supporting their education.

We will be hosting our own Dream Run event on June 25th and will be running more opportunities for fundraising between now and then!

If you would like to donate and help us get started, please use the QR code below!!
