

Messages from Amelia

Amelia & Stella School Placements

In week 8 & 9, Amelia and Stella will be undertaking their first Primary teaching placement for the year. Unfortunately, that means that they won't be around for 2 weeks, so we will be getting some help from a few other awesome coordinators and educators during that time. These coordinators will be heavily supported by Alex and Jagruti (Region Manager).

Playground age group consistency:

OSHClub will be following the same playground age groups as the school. We aim to maintain consistency between school time and OSHC time. We will begin implementing this starting in week 5.

Playground grade groups are as follows:

- Playgrounds next to the hall = **Prep to grade 2**
- New playground = **grade 3 & 4**
- Yellow playground on oval = **grade 5 & 6**

Clean Up Australia Day

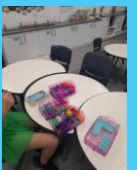

In week 4 the children participated in a whole group challenge; to see how much litter we can pick up around the school – (spoiler: We filled a huge trash bag just with one lap around the school!!!)

Encouraging them to take responsibility for their environment and being respectful to our environment. It was amazing to see all the children spending some time to clean up the school a few days before Clean Up Australia day!

Rise & Shine

This fortnight, our OSHClub kids had a blast participating in the Breakfast Club with Alagammal! They helped prepare a healthy and delicious breakfast, learning new skills and working together. The fun didn't stop there—the children enjoyed using the hall for some exciting group games, fostering teamwork and staying active. It's been a great couple of weeks!!!

Stay & Play

At Stay and Play this fortnight, the children got creative and hands-on with a range of exciting activities! Both the Junior and Senior Baking Clubs were in full swing, whipping up delicious treats. We also kicked off our Flavour Detective theme days, exploring different tastes from around the world. Fridays were extra special with fun themes like International Women's Day and Clean Up Australia Day. Craft activities kept the creativity flowing, with kids making their own toilet roll animals and painting masterpieces.

 - **Every Friday:** Friday Funday

Happy Snaps

Flavour Detectives Highlights!

Our Flavour Detectives had an exciting culinary adventure in Weeks 5 and 6! For the Italian Pizza Pursuit, the children crafted delicious mini pizza cups, learning about the art of Italian cooking. In Week 6, they explored India's Secret Spice Trail by making soft, tasty naan bread, discovering new flavours and spices. Each session was a hit, with lots of fun and learning in the kitchen!

Junior & Senior Baking Club Highlights!

Our Junior and Senior Baking Clubs whipped up some mouth-watering treats over the last two weeks! In Week 5, the juniors baked buttery shortbread, while the seniors crafted a delicious Mars Bar slice. Week 6 brought even more tasty fun, with the juniors making M&M oat cookies, and the seniors creating sweet patty pan toffees. Everyone had a great time honing their baking skills and enjoying their tasty creations!
