

Messages from Alex & Amelia

Sign in/out reminder:

Please remember that all families are required to sign in and out their child on arrival. If you are having any issues, please talk to one of our staff we are always happy to help.

New Term Bookings:

Please let us know by text, phone, or email If your child will be away for a session to avoid late fees. Thank you.

No Hat No Play

Please remember that children are still required to wear hats during term 1!

Toys from home reminder:

We strongly discourage children from bringing toys and balls from home as the often get lost easily. If your child does bring a toy from home, please be aware that we will not be responsible for it.

Pokémon & Beyblades:

We do not allow children to bring Beyblades and Pokémon from home. Children will be asked to put them in their bag, or they will be put in a safe place until pick time!

Welcome Back!

The first two weeks for term 1 have been brilliant! We are so happy to welcome everyone back from their holidays and delighted to see some fresh new faces around.

Week one was short and sweet but wonderful none the less, coming fresh off the back of our holiday program and pupil free days we got straight into it. With some new activities that have everyone engaged and keeping things simple was the goal as we ease back into routine.

Week two came up so fast, with our new preps officially starting full days on Monday we are super busy getting to know them and helping them settle into the rise and shine and stay and play!

Welcome Stella!

We are super excited to welcome the new addition to our Laburnum OSHC team, STELLA!

Stella is our new permanent educator that will be with us most days of the week for our stay & play sessions. Please feel free to introduce yourself as Stella gets to know all our wonderful children and families.

Other information:

Rise then Shine: 07:00am – 08:45am

Stay and Play: 3:30pm – 6:00pm

Holiday HQ

We had so much fun over the January Holiday Program, all the children got super engaged in all the planned activities and even had time for spontaneous activities! The Summer Camp themed program gave us so many new adventures that we can't wait to bring into Stay & Play adventures.

Our biggest highlights were our spectacular excursions that saw us trying a new location at slides play center and watching Paddington explore and venture through Peru!

Lots of organized Make & Take activities that had the children practice working together and following instructions to make their own decorative light-up Jellyfish, mini paddling boats & HHQ themed bags!

Stay & Play

We have had great start to our Stay & Play program, as our booking numbers slowly increase, we are working on creating a weekly program that has a balanced combination of student voice and adventure planning. We are encouraging the children to suggest and engage in the activities they love.

Keeping things simple the children have been working on their own back to school 'All About Me Sneakers', a fun twist on the usual posters and photos. The children have been creative in filling in each box with the things they love.

Rise & Shine

The best thing about our Rise & Shine sessions is how much the children enjoy engaging in more spontaneous adventures rather than planned activities. We are looking to run longer term activities in the morning that our morning regulars can engage with over multiple days. The giant rainbow paper chains that the children are working on now have been coming together very fast!

Happy Snaps

We want to hear from you!!

While we look towards planning our Rise & Shine and Stay & Play sessions, we want to hear from you!

We always want to make sure that we are offering adventures that the children love and enjoy. We do our best ask the children what activities they want to do each week but sometimes its hard to think of new things.

We would love to hear from all our families, if there's something you think your children love and we could do here please email (laburnum@oshclub.com.au) or text us (0413 227 071) or find us!!
