

## A message from the Coordinator

Exciting changes are coming to OSHClub this term. If you have not already seen, there have been some major cosmetic changes to the OSHClub room with the removal of the chimney and rearrangement of furniture to create an open and inviting space which encourages more group play in the space.

Just a quick reminder... for all my parents of ASC, if you are coming to pick up your child before 4pm you will not find us in the OSHC room but rather in the school hall where we play group games and have a run around to burn off all that energy. After 4pm, you can find the Juniors (Prep – Grade 3) in the OSHC room and the Seniors (Grade 4 – Grade 6) in the Lab. This term we will also be making use of the Library in the afternoon.

Finally, our Tuesday ASC bookings are almost at capacity. This means it will become very difficult to make last minute bookings for this session. We are asking parents to make a permanent booking for this session if required. It will be easier to cancel this booking than try and make a last-minute booking.

Thank you Everyone!

Rita Davies

## OSHClub News

The first 2 weeks of term 2 have flown by us so quickly with children enjoying their time back at OSHC. They have been very busy helping make changes to the OSHC room and building/assembling new toys and resources for the service. And starting this Friday, OSHC will be running a cooking club in the afternoon. To start us off, this Friday children will be making Pizza for afternoon tea. Stay tuned for the full schedule of what the children will be cooking each week. We will also be including each week's recipe in the OSHClub newsletter.

As part of our Sustainability Club – which runs on a Monday and Wednesday – we will be watching the films Wall-E and The Lorax in the coming weeks on a Friday to look at the impact of non-sustainable practice on planet Earth and discussing what we can do to avoid that being our future. More details to come in the following weeks.

That's all for this fortnight! We can not wait to see what this fortnight has instore. And Mums, have a lovely day on Sunday 😊

Enjoying the new jumbo connect 4

Having fun with free craft

Investigating the new reading/chillout zone

Busy making pancakes

Admiring the kids rearranging skills

Making Jelly for afternoon tea
