Before School / After School Care Program

What we have been up to.

We said goodbye to Chiara this week. The children planned a special surprise for her. She also surprised the children with something special - donuts to take home!

The lovely weather this week meant we spent lots of time outdoors. We hula hooped, played tag, decorated our outdoor areas with chalk drawings and generally took advantage of the sunshine. We enjoyed yummy after noon teas and received lots of praise for our pasta bake. The children also had fun with science, maths and rhyming. We even had discussions about empathy and consideration.

What's next

In our "Children's Meeting" this week, the children asked for more outdoor fun. Dodgeball is emerging as a favourite though chalk drawings is a hot second. We will also be encouraging children to add to their portfolios.

Enrolment is free.

Simply create an account online at www.oshclub.com.au. All bookings, cancellations and children absences are managed via the online account. For on-the-day bookings, please contact the coordinator directly at the program. All children must have an "active" enrolment to attend the program. That is, where required, all medical/additional needs documentation must be up-to-date, and medication must be present, and within expiry dates, at the service
