## LABURNUM PS NEWSLETTER

### What's been happening!

*Hello Laburnum families!*

*What an action-packed vacation care we've just had! Over the past few weeks, the children have experienced a fantastic mix of fun, fitness, creativity, and learning, all wrapped up in laughter and memorable moments. Some highlights have been:*

 Robotic Innovators

*STEM came to life as the children explored building and creating robots from Lego. Imaginations ran wild as we built our own creations and collaborated with peers!*

 Spiderman Show

*A superhero surprise! Spidey swung in for an action-packed performance that had the kids wide-eyed and cheering.*

 Pickleball Battle

*New to many and loved by all, our Pickleball day was full of friendly rivalry and fast-paced fun.*

 Animals Galore Incursion

*A hands-on wildlife experience! From reptiles to furry friends, the children learned so much about our amazing animal world.*

*We look forward to meeting more of the Laburnum community in Term 3 and continuing to learn and grow at TeamKids!*

*From Mel and Milli :D*

### TK Clubs

*At TeamKids we have different Clubs each term for the children to choose and engage in. During week 1 & 2 of term, the children will vote for which clubs they would like to do and then from week 3 we will begin to learn and engage in the chosen clubs!*

*TK Clubs are a fantastic way for the children to be directly involved within their learning and engage with their peers. Watch this space to see what Clubs are chosen for Term 3!*

### Important Dates

**National PJ Day – Friday 25th**  
**Book Week – August 18th – 22nd**

***If you have any cultural/ family celebrations that you celebrate with your special people, please share them with us as we would love to celebrate them with you too as TK!***
