STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Collection Statement must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Privacy and Data Protection Act 2014 (Vic)*. School Enrolment Privacy Collection Statements are located here

HEAD LICE

For the many families and teachers of school-aged children, head lice continue to create concerns. While it is known that head lice do not carry any infectious disease, the principal, teaching staff and school council at Laburnum Primary School have developed a head lice policy and program and it is fully supported by the school. All volunteer parents sign a confidentiality agreement to ensure information privacy for all children and their families.

The person conducting the inspections will physically search through each student's hair to see if any lice or eggs are present. **Parents of children found to have 'live lice' will be contacted and asked to collect their child/children from school and treat the condition.** Children may then resume school after treatment.

☐ I give permission for my child to participate in the Parent-Managed Head Lice Program while my child attends Laburnum Primary School.

During the school year there are many occasions and events where staff may photograph, film or record students participating in school activities and events. We do this for many reasons to display images:

- within the school and
- in publicly accessible locations (e.g. our website and newsletter)

This notice applies to photographs, video or recordings of students that are collected, used and disclosed by the school.

We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events do so in a respectful and safe manner and that any photos, video or recordings ("images") of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer. All adults are reminded of the risks of posting images to social media.

If you do not understand any aspect of this notice, or you would like to talk about any concerns you have, please contact our school at laburnum.ps@education.vic.gov.au
